

# FBC Buford Weekday Preschool

## 2023-2024 Information

We appreciate the interest you have shown in FBC Buford Weekday Preschool! We would love the opportunity to minister to your child and your family for the upcoming 2023-2024 preschool year.

Our ministry at FBC Buford Weekday Preschool enables us to not only introduce children to the world of learning, but also to share God's love with them. We take our responsibilities to heart and do our best to make this a nurturing environment where lots of love, laughter, and learning take place.

We encourage you to register as early as possible to secure a place for your preschooler as we will fill our classes quickly. If you have any questions, please feel free to contact us!

FBC Buford Weekday Preschool is a non-profit Christian preschool. We meet the Bright from the Start exemption requirements, but we are not accredited or licensed by the state.

Our preschool was founded as a ministry to families with young children. We believe that children need a loving environment where they can grow spiritually, socially, physically, emotionally, and intellectually. We believe that the preschool staff should work together with parents to foster growth in these areas and encourage a love of learning. We understand that children learn best through play and by participating in developmentally appropriate "hands on" activities. Children have been wonderfully made by God and will learn more about their Creator and His plan for their lives.

Each month children are introduced to new colors, shapes, numbers, Bible stories, and Bible verses. Children also participate in music classes and weekly chapel time. Our classes offer free play, art time, circle time, playground or gym time, and snack/lunch time. Our preschool incorporates a hybrid of the Wee Learn and High Reach curriculum in our classrooms along with centers of language arts, science and nature, math, reading, and phonics.

The staff of FBC Buford Weekday Preschool is made up of amazing teachers who love Jesus and working with children. Staff members undergo background checks, yearly training, and CPR/first aid certification.

**All classes meet from 9:00am—1:00pm**

A registration fee equal to one month's tuition is paid at the time of enrollment, and is non-refundable. The registration fee reserves your child's place in our program and is used for supplies your child will use during the preschool year.

Besides the registration fee, our tuition payments are divided evenly into nine installments. Tuition is not based on total days attended. We regret that we cannot refund tuition for missed days due to illness or other extenuating circumstances.

Tuition installments are collected between the months of September and May. Tuition is auto-drafted on the 1st of each month (the first payment is September 1st and the last payment is May 1st). Tuition is due by the 1st of each month if you are not enrolled in auto-draft. Tuition paid after the first of the month will be considered late and may be subject to a late fee.

Withdrawal from our program requires a 30 day notice or payment of one month's tuition.

To receive a 5% tuition discount, you may pre-pay yearly tuition by September 1, 2023.

Families enrolling more than one child will receive a \$25 discount per family, per month.

For the 2023-2024 school year we will continue with the health and safety protocols that are currently in place. Our staff has increased cleaning and we are taking appropriate safety precautions to help ensure the health of our preschoolers and staff. For more information on our policies and procedures, please see our Parent Handbook which is linked on our website.
